CAMPAIGN FOR PEACE IN THE GULF

It is the duty of every person to prevent war being started in the Gulf

Important statesmen have called for the negotiated settlement in the Gulf crisis.Among them are Mr Edward Heath,Mr Willy Brandt, Mr Ramsey Clarke,

The common people in the US and Europe do not support a military solution as demonstrated by the demonstrations in the US and France.

Islamic Council is thinking to organise a Conference attended by many important personalities from Muslim countries and representatives of Muslim Heads of State and Prime Ministers.

The aim of the Conference:

1 to call upon Saudi Arabia not to permit any attack from its soil against Iraq as it is now clear that there is no threat from Iraq against Saudi Arabiaand as the foreign troops were called to defend Saudi Arabia and not to launch an attack against Iraq.

2 call for an International Conference to discuss the most important issues of the Middle East, and to find a comprehensive solution.
